

Swimming Teacher Training Programme

SportsLink

Swords Rd, Dublin 9

This training programme leads to a recognised qualification in the teaching of swimming in a learn to swim and an advanced swimming environment. Successful candidate will be qualified to teach beginners improvers and advanced swimmers, both adults and children, a wide range of swimming techniques and skills.

It is certified by the Irish Water Safety, and recognised by the Swimming Teacher Association (go to www.sta.co.uk for benefits of membership and insurance details). The International Federation of Swimming Teaching Associations has member organisations in many countries who recognise each organisation's qualifications (www.ifsta.co.uk).

- A layby scheme is available if required.

Please contact John Farrell if you have require further details.
